

20th May 1926.

Dear Preedy,

I should like to recognize your long and faithful work in a poor part of Islington and write to offer you the vacant Prebendal Stall at St. Paul's.

I do not see why all the Prebendaries should be Incumbents; we want someone who can impress the Congregation of St. Paul's when he preaches there and I am told, that you can do so.

Yours very sincerely,
